

Cashsend is a new and convenient service from Barclays which allows you to send and receive money at any Barclays ATM. To be able to send cash, all you need is your Barclays ATM card.

To receive money, you do not need a bank account, you do not even need a card! All you need to do is visit any Barclays ATM and Enter the Voucher Number ID and Pin Code received from the Sender. Withdrawing money is absolutely free with Cashsend.

How to send cash:

1. Insert your Card and enter PIN
2. Select the "More Services" option
3. Select "Money Voucher Service" option
4. Select "Purchase Voucher" option
5. Enter value of voucher to be purchased (minimum of \$20, multiples of \$20)
6. Enter mobile number of recipient (e.g 771234567) (optional)
7. Enter and confirm pin number (must be remembered and sent to recipient - PIN needs to be 4-5 digits)
8. Confirm transaction
9. Money Voucher ID is displayed and statement printed.

How to redeem voucher:

1. Select "Cardless Services"
2. Select English Language Option, then "Redeem Money Voucher"
3. Enter Money Voucher ID and PIN provided by sender
4. Select "Redeem Money Voucher"

NB: You do not have to be a Barclays Account holder to receive cash!

* All vouchers must be redeemed within 7 days
