

PRESS RELEASE: WEBNAMES.CO.ZW OFFERS FREE WEB HOSTING TO STUDENTS

We are pleased to announce that webnames.co.zw will be offering free web hosting to students from 1 January 2015. This service has been introduced in order to assist young entrepreneurs to market their projects or ideas.

The hosting package will come packed with a year free hosting which includes

- *one (1) gigabyte disk space
- *ten (10) gigabyte bandwidth per month
- *five (5) email accounts
- *two (2) MySQL Databases
- *unlimited sub domains
- *five (5) FTP accounts

As a bonus each hosting account will come with FREE wordpress templates.

Students will be required to send us their current student ID in order for their accounts to be activated.
